UNCLE JOSH PERKINS

VISITOR OF TEMPE

He Will Appear at the Goodwin Opera House This Evening.

"Uncle Josh Perkins," a clever rural comedy-drama, will be in evidence at the Goodwin opera house this evening. As a play it is said to be wonderfully original in construction and possesses many thrilling situations, while pathos and humor intermingle all through the story, everything coming out as it should at the end. The scenic pictures divided between "Uncle Josh's" farm in Vermont and New York City, is one of the features of the play. Notwithstanding numerous humorous situations, the author has never once allowed the plot to be lost sight of, which combined makes the play one of intense heart interest. The people of Tempe can turn out in force to see "Uncle Josh" with the assurance that the play is all that it should be, at least that is the verdict accorded it in every town and city visited so far this year. Reserved seats may be secured at Goodwin's store. Prices of admission, 25, 50 and 75 cents.

"Uncle Josh Perkins" will meet with a little opposition here tonight as "The King of the Cattle Ring," by Hal Reid is also billed for this place this evening. This organization travels in two special cars and carries its own band and orchestra. It likewise supplies its own opera house, a good sized canvas well lighted. It carries a company of some sixteen people and is said to be a first class performance. The people of Tempe can take their choice between the two.

K. O. T. M. SMOKER.

There was a large turnout of the members of the K. O. T. M. at the smoker last evening and all reported a fine time. A number of members of the Mesa tent were present and several candidates were given a trial on the goat. The goat had been given extra care and was in fine condition for the occasion. Following this festive moment, coffee and cigars were served.

The new Popular restaurant, everything new, clean, and neat. The best of service.

DECLAMATORY CONTEST.

The W. C. T. U. expect to have a temperance declamatory contest in Tempe sometime after the holidays. Boys and girls from ten to fourteen years of age, wishing to take part in this contest should send in their names to Mrs. Scudder. The union will furnish the recitations.

HORSEBACK TRIP TO

CASTLE HOT SPRINGS

The Pleasant Outing of a Normal Professor and Student.

J. F. Hall, of the Normal accompanied by William King, one of the dormitory boys, spent the Thanksgiving holidays very pleasantly on a horse back trip to Castle Creek Hot Springs. They found that resort all and even a little more than it is advertised to be. They found game in abundance on the road and had an enjoyable trip. Going up they followed the railroad to Hot Springs junction and then took the automobile road to the springs. On the return trip, however, they took a shorter route and leaving the springs in the morning reached Phoenix the same night. This shorter road is much the poorer of the two though, but is well enough for horse back travel.

EARLY MORNING FIRE AT THE CAFE TOGEL

The Quick Work of the Proprietor Was All That Saved Much Damage.

The firemen of Tempe owe a deep debt of gratitude to John Togel, the proprietor of the Togel Cafe. It was only due to his acute sense of smell that they were saved from a hurry up call in the cold at four o'clock yesterday morning. As it happened John was the only one who got out in the cold and a few minutes work on his part saved the day as well as the building.

The fire was rather an unusual one and started in a peculiar way. The night before the bar had been given a good cleaning up, followed by an application of a preparation of linseed oil on a rag. This task being completed, the oily rag and the bottle of the preparation were both placed in a drawer back of the bar. A little before four o'clock yesterday morning Mr. Togel was awakened by a peculiar smell of burning wood. There was also a little smoke in the atmosphere of his room and thinking that perhaps something had gone wrong with the stove, he arose to investigate. Coming into the bar room, he found the smoke thick and it seemed to be coming through every crack in the stand behind the bar. He pulled open the door of the drawer and flames shot out in his face and started toward the ceiling. He had enough presence of mind to close the door again and grab a bucket of water that stood conveniently near and a couple of pails of it sufficed to put out the conflagration. The damage was slight but had the fire been given a little more headway there is no telling what might have happened.

As near as Mr. Togel can figure the incident, the oily rag, after a spontaneous combustion, broke into flame. The heat of this fire broke the bottle of oil, adding more fuel to the fire. The wood work quickly caught and but for that fact the drawer was tightly closed, the flames would have no doubt have done considerable more damage before they were discovered.

THE NORMAL CONCERT.

The Worcester (Mass.), Telegram, of November 28, 1905, says: "Mr. Hughes sang a tenor solo, 'Toreador' by Truett; an Irish folk song by Foote, and 'Love is a Bubble' Allister, all of which proved enjoyable, being sung in a sympathetic manner with fine enunciation and good delivery. Mr. Hughes has a pleasing tenor voice and shows good method." He will be heard at the Normal Auditorium, Friday night.

NEWS NOTES.

H. L. Chandler was down from Mesa yesterday afternoon.

In this morning's issue the Lukin Cash store is advertising a special ten day sale of woolen blankets. Miss Fannie Corson is able to be about again and expects to assume her duties at the telephone exchange again in a couple of weeks.

AMUSEMENTS

IMPORTANT EVENT.

The Arizona School of Music has arranged an evening of great importance to musicians, students and all who love good music, in the nature of a Lecture-Piano Recital, to be given by William Piutti, a masterful pianist, on the coming Thursday evening. Mr. Piutti is a visitor in the city for a few days only, being en route to Mexico, and this will be the only opportunity for Phoenix to hear this artist. Mr. Piutti is a native of Weimar, and was a close associate there of Rosenthal, Sauer and Reissner at the Franz Liszt receptions and musicales. He was a pupil at the Stuttgart and Frankfurt conservatories, being a pupil of the famous composer Raff, and also of Bargiel. As the time is short to announce the recital, and that everyone may have the opportunity of listening to him, tickets have been placed at the low price of 50 cents, with a rate of 35 cents to young people under sixteen years of age. Tickets are on sale at the School of Music. No reserved seats.

"The Clansman's" troop of trained cavalry horses will be an exciting feature of the play. The horses are ridden across the stage at full gallop in the third act by the armed and habited members of the Ku Klux Klan. Two of the animals were formerly the stars of the chariot race in "Ben Hur."

LOS ANGELES EDITION.—Wm. J. Schaeffe, the editor of The Globe at Los Angeles, is spending a few days in Phoenix and is registered at the Ford hotel. Mr. Schaeffe will return to his home city the latter part of this week.

FEEL FINE IN FIVE MINUTES

If You Had Diapiesin Indigestion Would Go

Why Not Begin Today to Rid Yourself of Dread Misery From Stomach Trouble Forever.

The question as to how long you are going to continue a sufferer from Indigestion and Stomach trouble is merely a matter of how soon you begin taking Diapiesin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should eat Diapiesin after meals, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or vomiting, and, besides, what you eat will not ferment and poison your breath with noxious odors. All these symptoms resulting from a sour stomach and dyspepsia are generally relieved five minutes after eating one Triangule of Diapiesin.

Go to your druggist and get a 50-cent case of Pape's Diapiesin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.

Sealed proposals and bids will be received at the office of the Board of Trustees of School District No. 1, in the Grammar School Building, in Prescott, Arizona, until 2 o'clock p. m., of the 31st day of November, 1908, for the construction of a public school building in West Prescott, without plumbing and heating, also separate proposals for plumbing and heating the said building; all in accordance with plans and specifications, copies of which may be obtained at the office of the Board of Trustees above mentioned.

Each bid must be accompanied by a certified check for 5 per cent of the amount of the bid.

The Board of Trustees reserves the right to reject any and all bids.

Dated Prescott, Arizona, Oct. 30, 1908.

PICTURES OF BUNYAN ACCOMPANYING LECTURE

Rev. Mr. Hall Will Talk on The Pilgrim's Progress.

Rev. A. L. Haley, pastor of the Methodist Episcopal church will deliver a stereoscopic lecture at the church next Sunday night, the subject will be the life of John Bunyan and his famous book, The Pilgrim's Progress.
